Subject Notification of conference.

Commissioner Lockwood,

I did notify PO Joe Acquino of the change in date for his conference. I know personally that PO Joe Acquino would never intentionally miss a conference. He is very respectful of his superiors and a good police officer. He works hard and is responsible for many of the arrests and confiscated weapons resulting from our Housing and Strike force Units. I am sure this was an honest mistake, and I hope you will take my thoughts into consideration. Thank you.

Respectfully,

Philip M. Serafini

Attached is a DPC conference notice for P.O. Joseph Acquino the IAD has probably already sent to you for serving. Acquino knows that he is to report on Tues (not Wed) August 30, 2016.

#### INVESTIGATION

##### Investigative Summary:

On 04/15/2016 this writer was assigned a complaint generated from the 311/IAD Satellite Office complaint line. Alex Overton states that during a traffic stop at Fillmore and Riley at or about 2230 hours he feels his human rights were violated by a Buffalo Police Department Officer. Mr. Overton states that he was the passenger in NY Reg \_\_\_\_\_, operated by \_\_\_\_\_ when the vehicle was stopped and approached by three BPD officers.

Mr. Overton states that when questioned the officers did tell him that they were looking for a grey two door sedan in connection to an incident. Mr. Overton states that he told the officer he was engaged with that the vehicle he was in was a four door vehicle at which time the officer next to him stated "You smart ass motherfuckin' nigger, get out of the car," and he did reach into the vehicle, unlock the door and forcibly remove the complainant from the vehicle. Complainant then states that he was subjected to an illegal search as the officer bent him over the car and searched his pockets and person without his permission. Complainant also states that the officer did draw his weapon, holding him at gun point and did say to him "If you move I will shoot you" in the face."

Complainant describes the officer he engaged with a white male, dark hair, 5 o'clock shadow, about 5'8" and stocky wearing a name tag that possibly said "J. Accord?".

Complainant feels that the officer's actions and statements were inappropriate and did violate his rights.

Allegation and Description of Incident

I was a passenger of a car that got pulled over. The officers did not tell us why we were being pulled over. One of the officers stated that they were looking for a 2 door Silver Suddan, but the vehicle we were in was a 4 door silver suddan. Officer J. Accuard I believe thats the proper spelling, he was very hostile with me as he asked me to get out the car without a reason to or asking for identification. He was continuously being rude and calling me all sorts of names like smart ass, nigga, nigger ect for no apparent reason also his weapon was draw as he was asking me to step out the car, again i did not have a weapon or anything illegal in my personal or gave any indication that i did. Then he went ahead and pushed me against the vehicle and started to search me throwing all my belongings around. I felt very violated, i did not give this officer a reason to treat me this way nor for him to be hostile with me. i did not like the way he was talking to me as if i was nothing. I feel like my human rights were violated and i was cooperating the entire time.
